Transfer of Hospital Apts. Radha Krishna Pillay from the Malleswaram Disp. to Chital drug.

Memorial dated the 1st May 1904 from the Residents of Malleswaram extension, Bangalore.

In the above Memorial, the people of Malleswaram represent that their present Hospital Apts. Radhakrishna Pillay has been of all the Hospital Apts. hitherto posted to Malleswaram Dispensary. been most popular and useful to them, that the extension being malarial, they have been suffering much from malarial fever, and its complications, that the Hospital Apts. has successfully treated several Cases of plague, malarial fever, Consumption &c, that there are at present a number of delicate Cases under his treatment, and that the fact that the patients have faith in him is calculated to give

to give them strength, courage and hope of speedy recovery, and pray for the above reasons that Hospital Appt Radhakrishna Pillay who now stands transferred to Chitaldrug may not be transferred from Mallerwaram Dispary:

The residents also bring to notice that if their present Hospital Appt is taken away from them, the patients who are now under his treatment and who cannot be expected to have in a new man the same faith as they have in him, will feel greatly discouraged & dispirited and that it is apprehended, their lives may thereby be jeopardised.

The prayer of the residents of Mallerwaram is that they should be allowed to have the benefit of the services of Hospital Appt Radhakrishna Pillay for some time more, as he has proved himself to be very useful to them.

 I don't think Govt

can very well interfere in
matters of this kind and call
~~upon the Senior Surgeon~~ for a report
from the Senior Surgeon - An
influential Deputation waited
upon me the other day and
helped for Govt. intervention.
From what they told me, I
thought this A. C. was really
highly appreciated in the
Warum. But protests or
native representations in
regard to departmental transfer
ought not to be encouraged.
I have modified the report.

Accordingly draft No. 5754 of 18.5.1904. was issued.
In reply thereto the Senior Surgeon disapproves
the idea of taking notice of such representation.
The memorial was forwarded to the Senior
Surgeon for disposal also; but the fact as to
how it was disposed of by him has not been
reported.

Sub? for order.

The humble Memorial of the residents
of Malleswaram, Bangalore City.

2574

Respectfully Sheweth:

That your Memorialists in confirming their telegram to your Highness dated the 29th April 1904, beg to bring the following circumstances to your kind consideration.

2. That in this new extension of the Bangalore City, which proved to be malarial, the residents have been suffering much from malarial fever and its complications.

3. That the residents have therefore been in need of good Medical aid. But unfortunately for them, there have been frequent changes in the medical men posted to this place. Of all the men hitherto posted, the present Hospital Assistant, Mr. Radakrishna Pillay, has been most popular and useful. He has successfully treated several cases of Plague, malarial fever consumption &c., and a number of delicate cases is now under his careful treatment. The patients have great faith in him. This fact alone is calculated to give them strength, courage and hopes of recovery. But unfortunately for them, he now stands transferred to Chitaldroog. He was transferred to Malleswaram only lately from the Lunatic Asylum. Your Memorialists are at a loss to know why they should be deprived so soon of his valuable services. With due deference, your Memorialists venture to bring to the kind notice of your Highness that if he is now taken away from them, the patients who are now under his careful treatment, will feel greatly discouraged and dispirited; and it is feared that their lives may consequently be jeopard-

jeopardised. It is natural that they cannot ~~have~~ be expected to have the same faith in a new man.

4. That under these circumstances, your Memorialists pray that your Highness may be graciously pleased to order the retention of the Hospital Assistant, Mr. Radakrishna Pillay, at the Walleswaram Hospital.

For which act of kindness, your Memorialists will ever pray for your Highness' long life and prosperity.

We beg to remain,

Sir,

per note
With reference to docket No. 5754 dated 10th May 1904 forwarding for disposal a memorial from the residents of Walleswaram requesting that Hospital Assistant T.V. Rathakrishna Pillay may be permitted to continue to be in charge of the Walleswaram Dispensary, I have the honor to state that it is quite impossible for me to take notice of such representations of which I *got* many. They are for the most part, I believe *got* up by the Hospital Assistants themselves - but even if they were not, discipline would be at an end if officials discovered that their fate depended on such representations and not on will of their departmental head.

I have the honor to be,

Sir,

Your most obedient servant,
